

Second draft

May 3, 2022

1 Scores

Except the fourth category, this matches the final rubric. For the final, the fourth category will be a category called Process, which will also be worth 10% and will be the average of the grades from the first and second draft.

Explanation of main result and its context (30%)

*

Correctness/completeness of proof sketch (30%)

*

Mathematical exposition (everything that affects the audience's understanding and enjoyment) (30%)

*

Completeness (10%) Penalty for missing parts.

*

Total score out of 100:
